

THE SILENT NO MORE PROJECT

Following the tragic events in Harris County, a statement was made by Harris County District Attorney Devon Anderson:

"It is time for the silent majority in this country to respect law enforcement...It is time to come forward and support law enforcement and condemn this atrocious act."

Attached is a page with pictures of a blank police badge for individual use, as well as a badge with a pre-printed public statement intended for local business owners, schools, churches and organizations. Please print as many blank badges as you'd like. Cut them out, and fill in with your own message of support for your local law enforcement. Some examples of messages could be **"SILENT MAJORITY NO MORE, WE SUPPORT YOU"** or **"NO LONGER SILENT, WE LOUDLY SUPPORT YOU"** or any other message you want to share in support of the men and women leaving their families and putting their lives on the line to protect us every day. You can include your name, business, school, etc., or you can leave it anonymous.

Wouldn't it be amazing to have police department hallways wallpapered with support badges?! Imagine seeing a sign in every business publicly stating their support for law enforcement!

PLEASE FEEL FREE to email, forward, print, deliver this to as many people as you can! Support and love can be given by church groups, schools and classrooms, family, friends, dance studios, businesses, clubs and organizations...

The goal is to flood our local departments and businesses with a very visual message that we will no longer be silent and our support for law enforcement far outweighs the negative. **I hope you will join me in making this little show of support a GIANT movement!**
